Alliance for Promoting Mobility Innovation, Member list

Mobility Innovation Promotion Council (Chair : Prof. Yoshihiro Suda)

【Organization member】

Kanagawa Institute of Technology, Advanced Vehicle Research Institute
Kanazawa University, Advanced Mobility Research Institute
Gunma University, Research and Industry-Academia Collaboration Promotion Organization, Center for Research on Adoption of NextGen Transportation Systems
Keio University, Mobility Culture Research Center
Saitama Institute of Technology, Center for Self-Driving Technologies
University of Tsukuba, Center for Artificial Intelligence Research
The University of Electro-Communications, Advanced Wireless Communication Research Center
The University of Tokyo, Mobility Innovation Collaborative Research Organization
Tokyo University of Agriculture and Technology, Smart Mobility Research Center
Tohoku University, New Industry Creation Hatchery Center
Doshisha University, Institute for Technology, Enterprise and Competitiveness
Doshisha University, Mobility Research Center
Nagoya University, Institutes of Innovation for Future Society, Global Research Institute for Mobility in Society
Nihon University, College of Industrial Technology, Center for Automotive Research
Meiji University, Institute of Autonomous Driving
Yokohama National University, Research Center for Sustainable Mobility System
Ritsumeikan University, Research Center for Computational Research on Designing Sustainable Society

【Individual member】

Associate Prof. Masato Itohisa (Hosei University, Faculty of Social Sciences)
Prof. Takeyoshi Imai (Hosei University Lawshcool)
Associate Prof. Shintaro Ono (Fukuoka University, Faculty of Engineering, Department of Electronics Engineering and Computer Science)
Prof. Shusuke Kakiuchi (The University of Tokyo, Graduate Schools for Law and Politics, Faculty of Law)
Prof. Masanobu Kii (Kagawa University, Faculty of Engineering and Design)
Prof. Yuto Kitamura (The University of Tokyo, Graduate School of Education)
Designated Associate Prof. Ryo Kurachi (Nagoya University, Graduate School of Informatics, Center for Embedded Computing Systems)
Prof. Osamu Sakura (The University of Tokyo, Interfaculty Initiative in Information Studies)
Associate Prof. Toshiyuki Sugimachi (Tokyo City University, Faculty of Science and Engineering, Department of Mechanical Engineering)
Prof. Akihiro Nakamura (Chuo University, Faculty of Economics)
Prof. Akimasa Fujiwara (Hiroshima University, Graduate School of Advanced Science and Engineering)

Prof. Akinori Morimoto (Waseda University, Faculty of Science and Engineering, Department of Civil and Environmental Engineering)
Prof. Goro Yamazaki (Osaka University, Center for the Study of Co* Design)

Other institutes

The National Institute of Advanced Industrial Science and Technology (AIST), Human-Centered Mobility Research Center
Japan Automotive Research Institute (JARI), Autonomous Driving Research Division
National Traffic Safety and Environmental Laboratory (NTSEL), Automotive Safety Research Department
RIKEN Center for Advanced Intelligence Project
